

Modes of Instructional Delivery at NJIT¹

Hybrid: Delivery of instruction in which some traditional face-to-face contact hours are replaced with required ***synchronous or asynchronous online instruction*** (frequently through the learning management system). The amount of online activity is set by the instructor and varies by course. Students should refer to the course syllabi for the course meeting schedule, however no Hybrid course should be more than 50% online. (*sometimes referred to as blended learning*)

-
1. Contact hours are independent of delivery method and defined in the course catalog.
 2. Definitions are aligned with OLN's definitions <https://onlinelearningconsortium.org/updated-e-learning-definitions-2/>
 3. See <http://www.njit.edu/online/current-students/faq/> for more information about proctored exams.

Policy on Administration of Midterm and Final Exams

NJIT policy requires that all midterm and final exams must be proctored, regardless of delivery mode, in order to increase academic integrity. Note that this does not apply to essay or authentic based assessments. Effective beginning Fall semester 2019, students registered for a fully online course section (e.g., online or Hyflex mode) must be given the option to take their exam in a completely online format, with appropriate proctoring.
