How to log into Handshake mobile

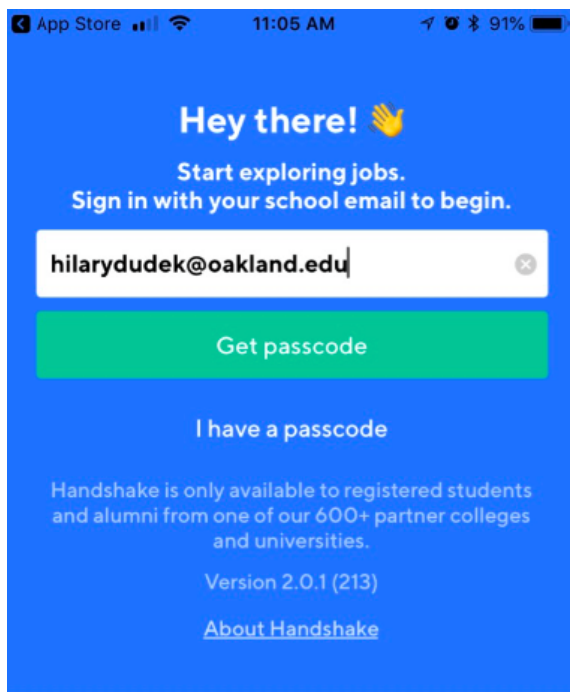

Hilary - September 27, 2018 12:14

You can log into Handshake on your mobile app using the steps below!

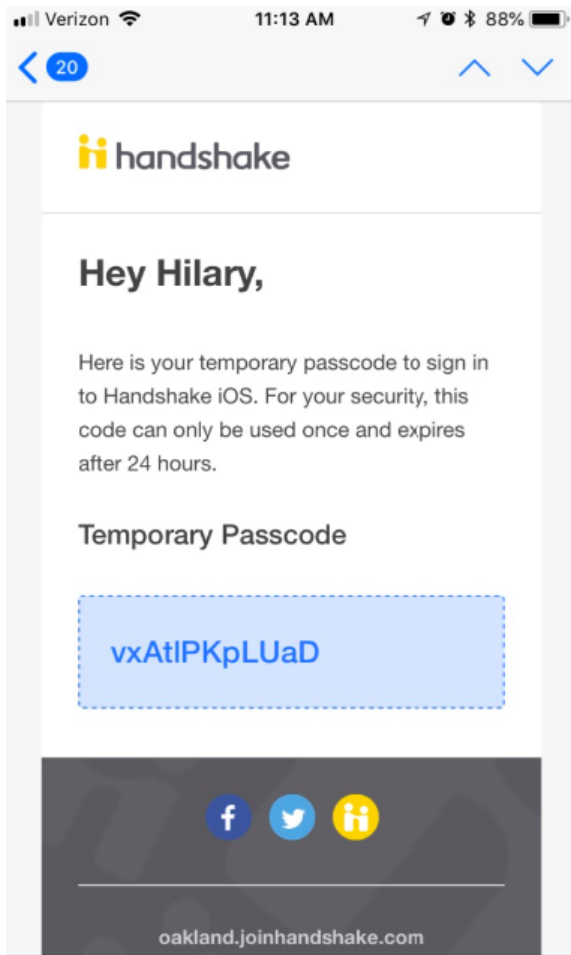

1. In your app store for either iOS or Android, search for Handshake Jobs and Careers, and then download it. There is no charge to download this app!

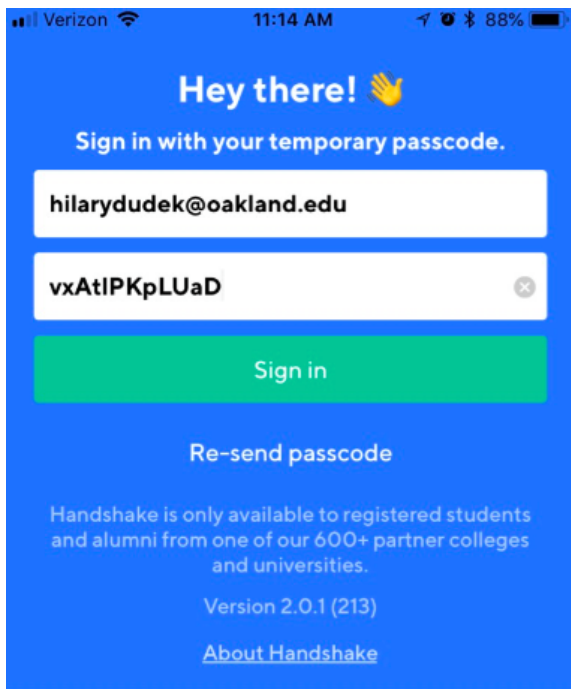

2. Open up the app, and enter your school email address

3. Next, tap 'Get Passcode'. This will send a unique code to the email address associated with your Handshake account. Check your email to grab the code!

4. Copy and past the code into the field, and tap 'Sign In'. You'll then be taken through the on-boarding process, and into your Handshake account!
