Student Account Creation Error Reasons

- You are entering information into the confirmation section (First Name, Last Name, DOB and SSN) that does not match what is on the FAFSA.
- Common data entry errors include
  - Not including suffixes in the last name that were included on the FAFSA. i.e. Evans Jr.
  - Using a nickname or shorter version of full name, when full name was used on the FAFSA. i.e. Rich instead of Richard.
  - Extra spaces were entered between names on the FAFSA but not during account creation. i.e. McFadden was entered Mc Fadden on the FAFSA.
  - Special characters entered in name on FAFSA, and not entered when creating an account. i.e. La'Juan.

Dear Parent of Student Name,

Hello! Student Name has updated and E-Signed the 2020-2021 Dependent Verification Web Form while applying for financial aid at New Jersey Institute of Technology. Student Name is requesting your E-Signature to complete this form for submission to the Financial Aid Office.

To E-Sign this form, please click the following link to create an account, review the form, and complete the E-Signature: https://njit.verifymyfafsa.com/account/parentcreate

It is possible that you may receive more than one communication requesting your E-Signature. Each form E-Signed by Student Name may result in a new communication notifying you of the request. You only need to create one account to E-Sign all of Student's forms.

If you have questions or wish to review and sign the form as a physical document, please contact Student Name directly. The student is able to download, sign and forward the document to you for your signature. Once you return the signed form to the student, they will be able to submit it as part of the application for financial aid.

If you need further assistance, please contact Student Financial Aid Services at finaid@njit.edu or at 973-596-3479.

Sincerely,

Ivon Nunez
