

NJIT

STANDARD 4

LEADERSHIP AND GOVERNANCE

In leadership and governance, NJIT is committed to

- Integrated leadership
- Systematic development and deployment of checks and balances
- Widespread leadership recognition

Elements of the Emerging Shared Governance Model

- Clearly defined mission, vision, and authority
- Deliberative process that assure rigorous analysis
- Cohesive framework for standing committees
- Transparent committee processes
- Timely closure on key decisions
- Responsiveness to state, regional, and federal environments.

Integrated Leadership at NJIT:

- Office of the President
- Senior Administration
- Board of Trustees
- Board of Overseers
- Boards of Visitors
- Faculty Council
- Administrative Departments
- Academic Departments
- Graduate Student Association
- Student Senate

Strategies for the Future

- NJIT will determine and articulate an evolving shared governance structure that best supports the university's response to current and future challenges;
- NJIT will re-design its current standing committee system to improve its accountability, coordination, efficiency, decision-making, and reporting.
