OVERVIEW: HONOR HALL PROCESS
ROOM SELECTION GUIDE 2020-2021

HONORS HALL ROOM SELECTION PROCESS

Residence Life and the Albert Dorman Honors College is continuing to implement the revised Honors housing priority process for 2020-21 that guarantees housing to incoming first-year Honors scholars, prioritizes and increases the number of second-year ADHC housing placements, and strengthens NJIT’s ability to recruit top students, particularly female applicants. Currently, the Honors priority process does not guarantee housing for incoming first-year scholars and gives preference to those with junior status or higher. Second-year scholars are least likely to be housed in the ADHC as completed credit hours and GPA directly impact one’s priority points. The revised process will ensure second-year scholars (defined by semesters since first-time full-time status at NJIT) maintain access to ADHC resources and services during this critical transitional year.

Honors Housing is dependent upon ‘good standing’ as defined by ADHC administration which includes successful completion of service hours, colloquia requirements, the absence of conduct history, and a minimum 3.2 cumulative GPA.

All continuing students requesting on-campus housing must also apply for a priority number via room selection process regardless of their desired hall. Continuing scholars will be informed if they will be placed in ADHC prior to the start of the open room selection process. Continuing scholar applicants meeting good standing will be entered into an ADHC specific priority using a random number generator to select the students offered ADHC space. Honors Scholars not placed in the ADHC building will have opportunity to select alternate on-campus housing in Honors overflow in Laurel, Laurel non-Honors overflow, Oak, or Greek Village using their lottery number.

Continuing scholars offered ADHC may request a roommate provided their requested roommate(s) is also issued an ADHC placement. Scholars who are not offered a space in ADHC may request to be placed on a wait list should one become available. “Squatting” or returning to the same space is not available for students who are selected to reserve a room during the Honors Hall Room Selection process.

FREQUENTLY ASKED QUESTIONS
ROOM SELECTION GUIDE 2020-2021

Q: HOW WILL MY PRIORITY NUMBER BE ASSIGNED?
A: Priority numbers are assigned on several criteria. The following areas are given point totals and added to your total priority number; class standing, number of semesters on campus, and judicial standing. You will be assigned a point total. Since there could be numerous students with the same point total the computer program will generate random priority numbers based on your total priority number. For example, if there are 20 students with a priority point total of 5, those students will receive a random priority number within that grouping. Please note that this year the term lottery number is changing to priority number.

Q: WILL EVERYONE WHO WANTS A SPACE, GET A SPACE?
A: Every NJIT student who has submitted an online housing application by February 16, 2020 will have the opportunity to participate in the Online Room Selection process. Students who apply after February 16, 2020 will still receive housing but will not be able to participate in the room selection process.

Q: WHAT IF I FORGET TO RESERVE MY SAME SPACE?
A: If you forget to reserve your current space, you will lose first priority to claim the space. If your current space is still available during your priority date/time during Open Room Selection, you may select it at that time. Remember: If you are selecting a room without a roommate requests, you can only select a space with someone already signed up for that space. You will need to fill a room.

Q: WHAT IF I CHANGE MY MIND ONCE I SELECT A ROOM DURING OPEN ROOM SELECTION, CAN I CHANGE MY ROOM ASSIGNMENT?
A: You are not able to change your assignment once you have selected it. Make sure that the room you are selecting during open room selection is the space you want for the following year. You will be given one minute to look at the available spaces before the next student is able to log on and pick their space. If you select a space that you want to change, please participate in the Room Selection Online Room Change which begins on April 2-3, 2020.

Q: CAN I CHANGE MY MIND AND CANCEL ONCE I SIGN UP A ROOM?
A: Students may cancel their housing for the fall 2020 - spring 2021 by emailing the Residence Life Office at reslife@njit.edu. You will be charged a cancellation fee as indicated on page 3. This amount will be applied directly to your student account. You will need to contact the Bursar’s Office to make payment arrangements.

Q: WHAT IF I CANNOT GO ONLINE DURING MY OPEN ROOM SELECTION PRIORITY DATE/TIME?
A: We recognize that NJIT students are very busy, and that you may not be able to be online at your designated priority date/time. However, because of the ability to conduct the Room Selection Process online, you may sign up for a room/suite anytime after your appointed time has arrived and select from any room that may be available. Please note that some students may not be able to access the room selection site from off-campus due to firewalls. Please make sure that you are able to do this from off campus before you plan on being away during room selection.

Q: WHAT IF I KNOW A STUDENT ATTENDING NJIT THIS COMING FALL 2020 AS A TRANSFER OR FIRST-YEAR STUDENT AND I WANT TO LIVE WITH THEM. HOW DO THEY SIGN UP?
A: You and your friend should indicate on your online housing applications that you want to become roommates. The current NJIT student should participate in room selection and pick a room for next year. If the space in the room is open when Residence Life completes room assignments for the fall 2020 we will place the new student in the room. If the room is not available, students can participate in room change two weeks after the semester begins. Another option is to contact the assigned roommate to see if they are willing to switch rooms before the fall 2020 semester starts. If all students agree to the room change you may complete an online room change form at www.njit.edu/reslife. Residence Life will email the students if the room change is approved.
